NOTE: THESE PLANS ARE STRICTLY DIAGRAMATIC. They are merely a representation of the proposed construction and are not to be used as a representation or reflection of that which the customer has purchased or is entitled to receive. The customer is responsible for the accuracy of dimensions and engineering requirements are the responsibility of the subcontractors, suppliers and the general contractor. These plans are for the sole use of the general contractor and are not to be used for the distribution to, or use by, the customer, buyer or property owner.
